

SlimTap[®] 60 - 12 by TORR

TORR offer a bar tap dispense solution for Ready to Drink or Concentrated coffee & tea products.

The 9 Liter (2.5-gallon) TORR keg eliminate keg returns, keg cleaning and lowers shipping costs because the keg stays at the store and is refilled with a bag delivered to the store in a corrugated box.

TORR offer modular and customized dispenser solutions from 2 to 12 taps to meet restaurants and convenient stores exact needs.

The TORR Kegs have been proven with more than 1600 taps installed in North America over the last 6 years.
